

Women! Get connected to...

theVine

**In an effort to go paperless,
our resource newsletter is
now being delivered
straight to your inbox.**

Sign up by emailing christa@bgc.ca

The Vine is a newsletter for the women of the Baptist General Conference of Canada sent out twice a year. In each edition there is an article focusing on issues of spiritual life, details on the current global mission's project, resources for women and women's groups, as well as advertising for upcoming women's events.

Don't miss out on what is happening in BGC Women's Ministries.

**If you are still depending on a paper copy of
the Vine please ask your church office for one,
We will be sending a few to each church.**
