*What's in Your Cup?*

**Speaker: Laura Schular**

We are all unique creations of God and have been given the capacity to live in all His fullness and grace. What happens when we start to want more and more after He gives us so much? How much is too full? How do I manage all this grace? How can my story make a difference? What has God given me that He wants to use in the lives of others? Let's

explore these questions together as we look again at God's amazing truth and plan for us, His precious children.

*Laura is a teacher, married to Kevin for 37 years. Laura enjoys small groups which study, learn and grow together. True joy is found in walking with Jesus daily and sharing some of that joy is what she desires to do. She looks forward to hearing the stories of other women who love God and are on a journey with Him.*
